PARTNER EXPECTATIONS

To ensure the success of unWINEd events, it is important our partners promote and participate in the event. BCD requests at least two volunteers from our partners to arrive at Hatch/Launchpad Baker (2019 Main St.) by 430p on the day of the event. These volunteers will help BCD run the event and also have the opportunity to setup a small table/display promoting the partner group. Providing 2 volunteers earns the partner organization 25% of the event proceeds. BCD will also provide supporter "tickets" for the partner group to hand out. Participants can turn these "tickets" in to BCD either physically or digitally during the event when they pickup their glass and map. Every five supporter "tickets" turned in raises the percentage of the event proceeds shared with the partner group by 5%, up to an additional 25%. Participants are also encouraged to round up to \$15, with the extra donation going directly to the partner group. Altogether, partner groups can earn up to 50% of the proceeds, plus extra donations.
